

INDIAN VALLEY ASSOCIATES

JANUARY 23, 2014

Present were Barry and Jean Sheppard, Jonell O'Day, Nancy Niche, Skip Fenner, Gary Frugoli, Rodney and Robin Bosche, Lisa Hecker, Craig and Jill Knowlton, Lloyd and Carol Loftus, Vicki Martinez, Bob Abeling, Lynn and Norma Perry, Bill Stewart, Ron and Joanna Witzel, Ladd Cahoon, Tom Tharsing, Nita Bruinsslot and Monica Brett.

The meeting was called to order at 6.40 pm at the dinner meeting held at the Wild Fox.

Minutes from the last meeting were approved by Skip Fenner and Gary Frugoli seconded.

Jonell presented an abbreviated treasurer's report. The balance is \$9,489.60, a larger than usual balance because Jonell is still waiting for the bill from.....

Tom Tharsing spoke about Chipper Days. He reported that the Fire Department still has not sent us \$1500 as their share of costs for Chipper Days however he has been assured that it is just a matter of time before we receive the money. Tom said that he plans another Chipper Days in May.

Craig suggested that we might need more meetings before the General Meeting because the need to organize everything and also the News Letter has to be put together several weeks before the meeting. Craig thought we could have fewer meetings towards the end of the year.

Nita reported that there was only one design review to consider: a 65 square foot addition to a house on Wilson. This is a small enlargement but it brings the square footage of the house over our limit and so is subject to design review.

Rodney commented on how much he likes the nativity scene. Everyone agreed that they really liked it too. Jonell pointed out that Bruce Stang puts a great deal of work and thought into constructing and organizing everything. Also, there are costs involved which he has never asked us to reimburse, so Jonell passed an envelope around the table for donations so that Bruce can pay the PG&E bill etc. She pointed out that IVA does not contribute to the nativity scene. It is supported only by voluntary contributions of work and money. There was a vote of thanks to Bruce, who was not present, and also to Carol and Lloyd Loftus, ? Cantarutti and others who helped.

Bill Stewart complained about the increased noise on the road due to speeding cars and motorbikes.

Since we have new board members, the sitting members introduced themselves adding a little about themselves and their time in Indian Valley.

The meeting was adjourned at 9 pm.

Respectfully submitted.
