Donation to Tam-Almonte of \$100 to show support - their concern does not affect IV.

Meeting with Eric Lucan; Jonell reported that Indian Valley is not involved in any community planning issues. We are partly protected, due to properties having septic systems.

- IV road may get to have the speed limit lowered to 25 miles per hour. Some discussion ensued from board members as to whether they wanted to continue pressing for 25 mph limit on the entire Indian Valley Rd. Most members were in favor.

FireWise; Tom reminded members of the need to continue logging hours for chipper days and other yard work to maintain our standing as a FireWise community.

The Annual Meeting will be held on September 23rd. at Carol Loftus's barn with barbecue to follow – the budget is \$400+-.

- Matt, Craig, Vicki, and Tom volunteered for food.
- John volunteered to run the raffle and obtain raffle items (to pay for the food).
- Matt will provide signs needed to advertise the meeting/BBQ.
